# *Message from your Principal*

**You are the DIFFERENCE Maker!**

**Saving Grace Christian Academy is a school of excellence that works in partnership with the students, parents, and community at large to assure the success for all our scholars. We cannot accomplish this task alone, but we strive to instill biblical principles and Christ honoring education that prepares you for life, college, and eternity. Each one of us must understand how important our roles are in life and know that all the effort we put forth today will make a huge difference tomorrow and the years to come. Understanding who you are, and your value is essential to your overall academic success. Therefore, no matter how hard things are or when roadblocks come your way, never give up! Keep pressing and achieving every goal you set out to accomplish. I believe in each one of you and look forward to you becoming great soon. Let this yearbook be a reminder to you of all that you have accomplished, achieved, and overcame at Saving Grace Christian Academy. We are the Eagles, soaring to reach the peak of our potential.**

**Sincerely,**

**Dr. Whitney Curry**
